LOGO USAGE

The logo should always be surrounded by a minimum area of space.

The logo, mark & company name clear-space is equivalent to 1/8 of the width. These will serve as an invisible boundary of the area of isolation. These areas of separation are minimum and should be increased whenever possible.

DO'S AND DONT'S

DO

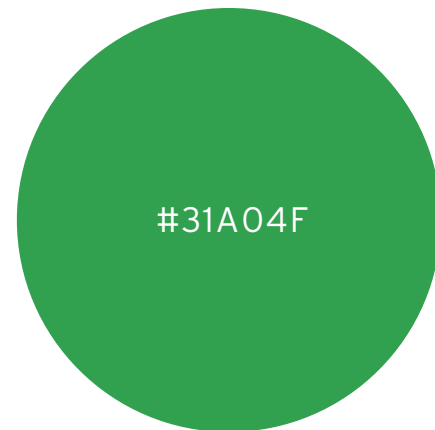

- Use one of the final, approved files that have been provided.
- Keep ample "clear space" around the logo, separate from the other elements/text.

DON'T

- Move/reconfigure the logo elements
- Stretch the logo
- Fill the logo with a pattern
- Add shading to the logo
- Change the colors from the approved versions.
