PRODUCT DESCRIPTION

Iron is an essential mineral that plays a crucial role in various bodily functions. Our Iron supplement, formulated with Microcrystalline cellulose, dicalcium phosphate, and vegetable magnesium stearate, provides a convenient way to ensure you're getting an adequate amount of this vital nutrient. Iron is best known for its role in supporting healthy red blood cell production and oxygen transport throughout the body. Taking an iron supplement may be good for supporting energy levels, promoting cognitive function, and supporting a healthy immune system.†
