Storage: Store in a cool, dry place away from heat and moisture.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL DRY PLACE.

PRODUCT DESCRIPTION

The body naturally produces Vitamin D when exposed to sunlight, however due to cold, winter seasons and the possible negative effects of prolonged exposure to the sun's UV rays, many people either limit their exposure to the sun or are unable to maintain consistent sun exposure, which has resulted in a majority of the population living with low levels of Vitamin D. Many doctors recommend a Vitamin D supplement in order to maintain healthy levels of Vitamin D year-round. Coming in a variety of fruity flavors, these gummies provide the benefits from the sun's life force without the harmful rays!†
